The Vice Chancellor is requested to consider and approve the above list of suppliers Collated from Tender Evaluation Committee reports and Profesional Opinion on registration of suppliers for various specific categories of goods,works and services as advertised,evaluated and approved by Vice Chancellor.

The List will be used by the University on alternative procurement methods for a period of two years and **Shall** be updated periodically from people applying for registration by submission of hard copies of their intention to supply or generated from the portal or websites in compliance with Section 57 and 71 of the Public Procurement and Asset Disposal Act 2015 and Section 44 of the Public Procurement and Asset Disposal Regulations 2020 that reads;

Section 57 of the Public Procurement and Asset Disposal Act 2015 ;

“(1), The head of the procurement function of a procuring entity shall maintain and update lists of registered suppliers, contractors and consultants in the categories of goods, works or services according to its procurement needs.

(2) Submission of names shall be continuous and the registration list shall be updated periodically as prescribed in Regulations and in accordance with this Act”.

Section 71 of the Public Procurement and Asset Disposal Act 2015 ;

“(1) The head of procurement function shall maintain and continuously update lists of registered suppliers, contractors and consultants in various specific categories of goods, works or services according to its procurement needs.

(2) An application to be included in the list of the procuring entity may be made at anytime, at no cost and shall contain proof of the following —

(a) eligibility criteria as prescribed in this Act; and

(b) capability criteria that defines necessary qualifications, experience, resources, equipment and facilities to provide what is being procured;

(3) A tenderer may seek clarification from the candidate or relevant government agency on eligibility but not on capability.

Transforming Lives through Quality Education

(4) The lists shall be applied on the alternative procurement methods as specified and appropriate and the list shall—

(a) be generated through portal, websites and people submitting hard copies of their intention to supply;

(b) allow for continuous applications and hence updating;

(c) be evaluated leading to registration on a biannual basis;

(d) be generated through market knowledge and survey; and

(e) be as may be prescribed” AND

Section 44 of the Public Procurement and Asset Disposal Regulations 2020 ;

“(1) The suppliers register shall be updated at least every six months as a requirement under section 57(2) of the Act and in accordance with section 71 of the Act.

(2) When updating the list, a procuring entity shall notify the new vendors of their admission into the list.

(3) A procuring entity shall evaluate the list after every two years leading to a fresh registration of suppliers”.
